This booklet will tell you everything you need to know about getting a CIG.

What is Community Ideas Grants?

Community Ideas Grants (CIG) helps local groups start a walking or cycling project.

These are groups that may not have the knowledge or confidence to start a new project on their own.

We help these groups by:

- Giving them project ideas.

- Giving them grant money.

- Giving them extra support.

Project ideas

When we give groups project ideas we also give them lots of help and information about how to run the project.

Groups can choose a 'project idea template' which will suit their local area's needs.

If a group gets a CIG we will continue to help them throughout their project.

Who can get a Community Ideas Grant?

The types of groups that can get a grant from CIG are:

- Local community groups.

- Companies that work to make local areas better. They do not work to make money.

- Charities.

Groups that want a grant from CIG must either:

- Have got less than £10,000 from grants last year.

- Make less than £50,000 a year.

Groups that want a CIG must not have had a grant from the Walking and Cycling Grants London programme before.

What projects can a Community Ideas Grant be for?

Groups must spend the money they get from a CIG on a walking or cycling project.

A walking or cycling project must involve one of these things:

- Supporting more people to walk or cycle for travel, exercise or fun.

- Helping people who find it hard to get into walking and cycling.

- Setting up walking or cycling activities in London.

How much is a Community Ideas Grant?

Groups can ask CIG for a grant of up to £5000 for 1 year.

When this year is over, groups can either:

- Carry on their project with no grant.

- Ask for an extra £3000 for another year.

After the second year, groups may be able to ask for an extra £2000.

How does an organisation get a Community Ideas Grant?

Groups have to apply online to get a CIG.

If you would like to apply you need to contact us for a discussion. You can contact us by:

- Phone: 020 7239 1286

- Email: wcgl@groundwork.org.uk

You can apply from Monday 22 July 2024.

You need to apply before Monday 9 September 2024 at 10am.

The discussion

At the discussion, we will talk to you about:

- Your project.

- What 'project idea template' you want to use.

- How you would carry on your project in the future.

At the discussion, we will also answer any questions you might have.

We will then email you a link that will take you to a form to fill in.

When will groups get a Community Ideas Grant?

We will let groups know if they are getting a CIG at the end of November 2024.

Groups that get a CIG will be able to start their walking or cycling projects in January 2025.

Projects will stop in September 2025.

This is when groups will decide whether they are going to carry on their project with no grant or ask for extra money.
